HHAP 6 Regional Application
Section 1. Regional Identification and Contracting Information

Steps to complete this section:

1. Select the Continuum of Care (CoC) Region. The definition of "Region" is the geographic area served by a county, including all cities and the CoC or CoCs within it (HSC 50230(v)).
2. Indicate which Eligible Applicants are applying together as a region for HHAP 6 (i.e., which Eligible Applicants will administer the Regionally Coordinated Homelessness Action Plan and be signatory to the Memorandum of Understanding). Eligible Applicants for HHAP 6 are all counties, all Continuums of Care, and Large Cities.
3. For each participating Eligible Applicant, indicate whether and how the Eligible Applicant intends to contract with HCD (i.e., indicate whether the Eligible Applicant will act as their own Administrative Entity, or designate one of the other regional partners to administer their allocation and act as the Administrative Entity on their behalf).

Regional Application Participation

Continuums of Care (CoCs)

- A CoC that serves a single county **must** apply as part of the regional application with the county and any overlapping Large Cities. In this case, the CoC should select: *"Is participating in this regional application as an Eligible Applicant."*
- A CoC that serves multiple counties **must either:** apply as part of a single regional application with multiple counties and any overlapping Large Cities **or** participate in the regional application of each overlapping county and the Large Cities therein. When the CoC is participating in multiple regional applications, the CoC should select: *"Is participating in this regional application as an Eligible Applicant"* for the regional application that will include the CoC's HHAP 6 funding plan, and should select: "*Is participating in this regional application as a collaborator*" for all other regional applications they are participating in. This will help to ensure the CoC's funding plan is only collected on a single regional application.

Large Cities ("City" or "Cities")

Large Cities must apply as part of the regional application with the applicable county and CoC.

Counties

- In a CoC that serves a single County, the County **must** apply as part of a regional application with the CoC and any overlapping Large Cities.
- In a multi-county CoC, counties are **strongly encouraged** to apply in collaboration with other counties that are served by the same CoC. **At a minimum**, each County must apply with the overlapping CoC.

LA Region

All CoCs within the County of Los Angeles shall be considered part of a single region, along with the County and Large Cities within the county and therefore **must** apply together. (HSC § 50230(v)(2).)

Contracting

Each Eligible Applicant has the discretion to administer their base allocation directly or may designate an Eligible Applicant in their region to serve as their Administrative Entity. The selections made in this section will indicate which Eligible Applicant will enter into contract with HCD to administer each Eligible Applicant's HHAP 6 allocation. For reference, HHAP 6 allocations are available on HCD's HHAP website.

The Administrative Entity is responsible for meeting the terms and conditions of the contract, which include, but is not limited to, contracting (when necessary) with sub-recipients, and fulfilling all monthly, annual, final, and Homeless Management Information System (HMIS) reporting requirements.

- **If you plan to contract with HCD to receive and administer only your (individual) HHAP 6 allocation,** select: *"Will enter into contract with HCD to receive and administer their HHAP 6 allocation"* under the contracting selection.
- **If you do not plan to contract with HCD and instead plan to identify another participating Eligible Applicant in the region to enter into contract with HCD to receive and administer your HHAP 6 allocation**, select: *"Identify another participating Eligible Applicant in their region to enter into contract with HCD to receive and administer their HHAP 6 allocation"* under the contracting selection. Once selected, you will be prompted to designate the Administrative Entity from a list of other Eligible Applicants in the region.
- **If you plan to contract with HCD to receive and administer multiple HHAP 6 allocations within your region,** select: *"Will enter into contract with HCD to receive and administer their HHAP 6 allocation and allocation(s) from other Eligible Applicants in the region"* under the contracting selection.

Section 2. Documentation and Certification of Stakeholder Engagement

Section 2. Documentation of Stakeholder Engagement

1. Provide the dates for which at least three public meetings were held to support the development of the Regionally Coordinated Homelessness Action Plan (Plan).
2. Describe how each stakeholder group from the list provided was invited and encouraged to engage in the Plan.
3. Describe the specific input from the public meetings that was incorporated into the Plan.
4. Certify that all participating Eligible Applicants met the process requirements for developing the Plan.

Meeting Dates

Meeting Dates	Meeting Name or Identifier (optional)
6/10/2025	
6/11/2025	
6/16/2025	

Stakeholder engagement

Stakeholders	Description of how stakeholders were invited and encouraged to engage in the public stakeholder process	Describe the specific input from stakeholders that was incorporated into the Plan
People with lived experience of homelessness, including but not limited to survivors of domestic violence.	Each County in the CoC includes persons with lived experience on their Advisory Boards and they were directly invited to participate.	People need financial counseling, services need to be trauma-informed, need more street outreach
Youth with lived experience of homelessness.	Each County in the CoC includes youth homelessness providers on their Advisory Boards and they were directly invited to participate and to invite youth with lived experience to the meetings.	Youth need mentors/life skills and gender-neutral facilities, financial counseling
Local department leaders and staff of qualifying smaller jurisdictions, including child welfare, public welfare, health care, behavioral health, justice, and education system leaders.	Each County in the CoC includes these service/agency representatives on their Advisory Boards and they were directly invited to participate.	Need to sustain what we've put in place recently: emergency shelters (both non-congregate and congregate), Housing Navigation Centers, support services at permanent housing sites We need to direct resources to homelessness prevention; rapid rehousing is a very popular and

		needed program Continue to work on building permanent supportive housing
Homeless services and housing providers, including developers of permanent affordable housing operating within the region.	Each County in the CoC includes these providers and developers on their Advisory Boards and they were directly invited to participate.	Need to sustain what we've put in place recently: emergency shelters (both non-congregate and congregate), Housing Navigation Centers, support services/case management at permanent housing sites Need more training on entering data in HMIS/CES and structured policies
Each Medi-Cal Managed Care Plan contracted with the State Department of Health Care Services in the region.	Each County in the CoC includes their Managed Medi-Cal Provider on their Advisory Boards and they were directly invited to participate.	The Managed Medi-Cal providers did not participate in the public meetings
Street medicine providers, victim service providers, and other service providers directly assisting people within the region experiencing homelessness or at risk of homelessness.	Each County in the CoC includes these providers on their Advisory Boards and they were directly invited to participate.	Continue to need funding for street outreach; need to recognize it can take time for people who are traumatized and using drugs to fully trust a service provider
Federally recognized tribal governments pursuant to Section 4103 of Title 25 of the United States Code that are within the region.	Those counties with federally-recognized tribal governments reached out to them directly to invite them to participate, and those without federally-recognized tribes invited other tribal entities in their region to participate.	Develop programs that also serve the tribal community and partnerships between tribal entities and counties on projects

Describe any other input from public meetings not captured above that was incorporated into the Plan.

Documentation of Stakeholder Engagement Narrative - Stakeholder Input

Optional Upload: Stakeholder Engagement

By checking this box, I certify that all participating Eligible Applicants met the public meeting process requirements in statute (HSC Section 50240(d) and (e)) and in the HHAP 6 NOFA in developing the Regionally Coordinated Homelessness Action Plan, documented in Section 2 of this regional application.

I certify under penalty of perjury that all of the information in Section 2, above, is true and accurate to the best of my knowledge.
Open

Section 3. Regionally Coordinated Homelessness Action Plan

Applicants must submit a Regionally Coordinated Homelessness Action Plan (Plan) that fully complies with HSC section 50240(c). This Plan shall lay out a strategic approach to address homelessness within the region, emphasizing collaborative efforts among participating applicants.

In developing the HHAP 6 Regionally Coordinated Homelessness Action Plans, regions should build upon their approved HHAP 5 Regionally Coordinated Homelessness Action Plans. This means regions should leverage and update information from their approved HHAP 5 Regionally Coordinated Homelessness Action Plan in corresponding sections of the proposed HHAP 6 Regionally Coordinated Homelessness Action Plan.

Regional Roles, Responsibilities, and Housing and Homelessness Service Policies

3.a. Regional Partners' Roles and Responsibilities

3.a.1. Outreach and Site Coordination

Eligible Applicant	Describe roles and responsibilities in outreach to individuals experiencing, or at risk of experiencing, homelessness in the region, and in coordination on citing of services, shelters, and interim and permanent housing in the region
Siskiyou County	Siskiyou County Health and Human Services Agency (HHSA) takes a lead role in conducting outreach to individuals experiencing and at risk of homelessness in collaboration with other NorCal CoC members/participants. The Agency also partners with NorCal CoC entities, clients, and individuals with lived experience of homelessness to coordinate the location, scope, and model of housing and supportive services. HHSA has a Homeless Outreach Specialist who supports unsheltered individuals to navigate and connect with resources and any available housing interventions such as shelter, RRH, or PSH. The County also contracts with the Yreka Police Department for a Homeless Liaison Officer who promotes resource connections to prevent unnecessary criminalization of homelessness. With multiple office locations throughout the county, the Siskiyou Community Resource Collaborative is instrumental in connecting unhoused populations to mainstream benefits and resources, particularly in the most rural, outlying areas. For the provision of housing interventions, HHSA provides some direct shelter, RRH, and prevention. HHSA partners with developers and local cities in creating and operating PSH units. Depending on the project, HHSA provides supportive services and may contribute capital funding. The Agency also contracts with a nonprofit, Northern Valley Catholic Social Services (NVCSS), to operate two year-round shelters, a non-congregate tiny-home village and a low-barrier congregate shelter. In the future, both the County and NVCSS intend to pursue funding to sustain the shelters. Other partners and homeless service providers include Youth Empowerment Siskiyou, who is the main housing services provider for transitional youth, and

	the Karuk Tribe Housing Authority that provides low-income housing. While developing the framework for projects, these partners seek input from the NorCal CoC members via a collaborative, public process. They also conduct focus groups, meetings, and surveys with individuals currently or recently living in encampments.
Shasta County	Outreach is currently carried out by Nation's Finest (veterans), FaithWorks Community Coalition, The Good News Rescue Mission, and Hill County Community Clinic. While each organization has its own specific outreach program, in general, their outreach efforts include visits to homeless shelters, transitional housing programs, encampments and other public spaces. These efforts are staffed by both staff and volunteers. Services offered include case management, resource connections and survival services. HMIS and CES are used on a weekly basis to ensure regional collaboration and service utilization in these outreach efforts. In addition, Shasta County HHS will invest in and expand outreach and coordination services for individuals experiencing unsheltered homelessness and/or at risk of homelessness, connecting them to emergency shelter, housing, and/or other supportive services with a primary focus on permanent housing and veterans. Additionally, the County will continue to coordinate discussions around best practices to strengthen collaboration among the County, City, and community entities, including FQHCs, social services and nonprofits. The County will collaborate with the Housing Authority to boost opportunities to increase the stock of affordable housing opportunities for persons leaving homelessness.
Lassen County	In our region, outreach to individuals experiencing or at risk of experiencing homelessness is a collaborative, multi-agency effort led by a dedicated outreach team. This team currently conducts monthly street outreach in Susanville, and we are expanding outreach efforts to an additional outlying area each month to increase regional coverage and access to services. Our outreach team includes a Housing Case Manager, Public Health Nurse, Community Services Officer, and a Behavioral Health Case Worker. Each team member plays a distinct role in addressing the multifaceted needs of the individuals we serve: The Housing Case Manager provides housing assessments, conducts intakes for the Coordinated Entry System (CES), and offers housing navigation services to support individuals through the housing process. The Public Health Nurse addresses immediate health needs, provides referrals to medical services, and supports individuals with chronic conditions or urgent health concerns. The Community Services Officer supports safety, facilitates engagement with individuals who may be hesitant to interact with social services, and ensures coordination with local law enforcement in a trauma-informed and supportive manner. The Behavioral Health Case Worker offers on-site mental health support, conducts informal assessments, and links individuals to ongoing behavioral health services. During outreach, the team distributes emergency supplies, including

	hygiene kits, food, and weather-appropriate gear. We also provide information on community resources, assist with connection to emergency shelter, and facilitate entry into the Coordinated Entry System to support access to transitional and permanent housing opportunities.
	In terms of coordination of services, shelters, and housing, our team collaborates with local service providers to ensure that the placement of services and housing aligns with identified community needs, geographic gaps, and accessibility. Outreach data is used to inform decision-making and advocate for service expansion into underserved areas.
	Our goal is to build trust, reduce barriers, and ensure that individuals experiencing homelessness across the region are connected to the services and supports they need to achieve stability.
Modoc County	Outreach services for the entire County are coordinated by the Training, Employment and Community Help, Inc. (T.E.A.C.H., Inc.) Housing Department. Staff conduct outreach throughout the county, on a quarterly basis. Effective July 1 2025, TEACH will be administering all housing funds allocated to Modoc County.
Del Norte County	In our region, outreach to individuals experiencing, or at risk of experiencing, homelessness is a coordinated effort between multiple partners, with key roles and responsibilities shared across agencies to ensure effective engagement and service delivery.
	We work closely with Del Norte Mission Possible, a local nonprofit organization, which plays a central role in outreach efforts. Del Norte Mission Possible conducts two outreach events each week, on Tuesdays and Thursdays, providing direct, in-person engagement with individuals experiencing homelessness. During these outreach events, their team conducts HMIS intakes, connects individuals to essential resources, and gathers updated information on the needs and status of our unhoused community members.
	In addition to field outreach, we ensure coordinated efforts around service provision and housing placement through our weekly Coordinated Entry meetings, led by United Way, our region's HMIS lead agency. These meetings provide a structured space to discuss individuals identified during outreach who are in need of services, shelter, or housing. Through this process, service providers collaborate to align resources, prioritize housing placements, and coordinate the siting of services, shelters, and interim or permanent housing opportunities in the region.
	This coordinated approach ensures that outreach is not only responsive but also directly connected to the broader regional strategy for addressing homelessness, promoting efficient resource use, and supporting long-term housing stability for individuals and families in need.
Plumas County	PCIRC is a non-profit organization incorporated in 1983 and serves as the point of coordinated entry for Plumas County – all individuals experiencing or at-risk of homelessness in the region are referred to our office by multiple community partners, family members and friends or often self-referred. PCIRC operates two homeless day

	shelter sites in the county offering showers, laundry and food pantry supplies. The agency maintains close partnerships with many agencies and delivers as array of programming directed toward transitioning offenders and parolees, families working with social services and child welfare, Veterans, current and former foster youth, senior citizens, and disabled community members. PCIRC opened the area's first Navigation Center in November 2024 serving both rural Plumas and Sierra Counties.
Sierra County	PCIRC is a non-profit organization incorporated in 1983 and serves as the point of coordinated entry for Plumas County – all individuals experiencing or at-risk of homelessness in the region are referred to our office by multiple community partners, family members and friends or often self-referred. PCIRC operates two homeless day shelter sites in the county offering showers, laundry and food pantry supplies. The agency maintains close partnerships with many agencies and delivers as array of programming directed toward transitioning offenders and parolees, families working with social services and child welfare, Veterans, current and former foster youth, senior citizens, and disabled community members. PCIRC opened the area's first Navigation Center in November 2024 serving both rural Plumas and Sierra Counties.

3.a.2. Siting and Use of Available Land

Eligible Applicant	Describe how the Eligible Applicant will coordinate efforts to identify and promote use of available land for the production of interim or permanent housing in the region
Siskiyou County	Siskiyou County sold surplus county property for the development of Siskiyou Crossroads, the first PSH project in the County. HHSA will continue to work with the County Administrative Office to identify other properties and means of promoting the use of land for housing. Likewise, HHSA takes every opportunity of encouraging and supporting local cities to make land available for that purpose. HHSA coordinated with the City of Yreka to utilize their property for the development of tiny-home style interim housing. The Agency supported their attempts to apply for Homekey, agreeing to fund and provide the supportive services. Although this project was not successful, HHSA will continue to support the city's ongoing effort to create new PSH. Similarly, HHSA provided gap construction financing to a new affordable housing/PSH development project sponsored by the City of Mount Shasta.
Shasta County	FaithWorks has historically developed and utilized various properties within the City of Redding to use for interim (transitional) and permanent supportive housing designed for homeless families and veterans. They currently own two vacant pieces of land; one is in predevelopment for a mixed use 14-unit PSH project designed to serve currently unsheltered individuals. The other will accommodate up to 4 units and is not currently under development. The Good News Rescue Mission actively collaborates with local developers, the City of Redding and other local partners to identify and promote the use of available land for the development of interim

and permanent housing. An example of this collaboration is the successful development of a 17-unit microshelter community, which is now fully operational. FaithWorks also functions as an owner-developer utilizing an in-house construction team.

Hill Country Community Clinic engages with city and county planning departments, housing authority and elected officials to stay informed about surplus land, underutilized public properties and zoning opportunities. They participate in the CoC, Homeless Youth Alliance and other housing and homelessness initiatives to assess land availability and advocate for the prioritization of sites suitable for affordable and supportive housing development.

Shasta County Health and Human Services will continue to identify available land and support development opportunities within the County jurisdiction as allowable by funding and to support local Community Development Departments in fulfilling their land use and development roles and responsibilities. Shasta County Health and Human Services will work to identify entities within the County's jurisdiction that are working on permanent housing projects to facilitate collaboration.

Lassen County	We will coordinate efforts to identify and promote the use of available land for the production of interim and permanent housing by collaborating closely with the County Planning Department and other relevant stakeholders. This partnership will focus on identifying underutilized or publicly owned parcels that may be suitable for development.
Modoc County	Our plan is to request a current inventory of vacant or underutilized land—including county-owned parcels—and data from the recently updated 2024–2029 Housing Element. We will review Chapters 4–5 and Appendices of the document for parcels suitable for interim or permanent housing. Identify discrepancies between identified parcels and those county-held or zoned for residential use. Modoc County participates in the NorCal Continuum of Care (CoC), which brings together counties and nonprofits to share land-use plans and opportunities. TEACH currently leads the interim housing efforts. We will convene a working group with TEACH, social services, and planning staff to align county parcels with interim housing initiatives and explore joint grant applications funding transitional sites and rapid rehousing. The group will also address infrastructure and permitting barriers. Our next step will be to assemble a grant team consisting of TEACH staff, planning and social service representation as well as representation from the CoC Advisory Committee.
Del Norte County	The Board of Supervisors created a technical advisory committee on housing and homelessness, which includes Community Development, Building Maintenance, County CAO, and local service providers/affordable housing developers. Community Development takes the lead on the implementation of the County's Housing Element programs, which includes identifying and promoting the use

	of available land for the production of affordable housing.
Plumas County	PCIRC routinely checks available land lists for possible interim and permanent housing options in the region. The agency is currently working with Sierra County to establish reserve funding to secure land/housing for a permanent supportive housing project. This will allow Sierra residents to get the immediate support they need through the Navigation Center, and upon completion, return to their home county of Sierra. PCIRC is also in the process of building Ohana Village, which will provide 26 tiny cabins for use in interim housing. This will provide a second step of transition from the Navigation Center program before achieving permanent housing.
Sierra County	PCIRC routinely checks available land lists for possible interim and permanent housing options in the region. The agency is currently working with Sierra County to establish reserve funding to secure land/housing for a permanent supportive housing project. This will allow Sierra residents to get the immediate support they need through the Navigation Center, and upon completion, return to their home county of Sierra. PCIRC is also in the process of building Ohana Village, which will provide 26 tiny cabins for use in interim housing. This will provide a second step of transition from the Navigation Center program before achieving permanent housing.

3.a.3. Development of Shelter, Interim and Permanent Housing Options

Eligible Applicant	Describe your engagement with housing developers, including developers of permanent supportive housing, to coordinate the financing of interim and permanent housing
Siskiyou County	Siskiyou County partnered with a nonprofit developer to construct Siskiyou Crossroads, the first PSH project in the County. This No Place Like Home projected created 24 new PSH units, 25 low-income units, and one manager's unit. HHSA conducted an RFQ for housing developers to promote the Agency's priority to partner with developers in the future. As mentioned above, HHSA has collaborated with local cities to provide both capital financing and supportive services for interim and permanent housing.
Shasta County	FaithWorks is an experienced developer and has worked in collaboration with the City of Redding to acquire and/or develop 4 locations that serve as either permanent or transitional housing. They has one project in development at this time in collaboration with K2, COR, US Offsite and NMR. Parkview Haven in Redding is scheduled for groundbreaking in late 2025/early 2026 with expected lease up in late 2026. They are also working as a service provider with RCHDC who is actively developing a 47-unit senior affordable housing complex Sunrise Cottages, scheduled for groundbreaking late 2025/early 2026. Eleven of these units are designated for unsheltered seniors. The Good News Rescue Mission is actively engaged in the development of interim and permanent housing solutions,

collaborating with local developers while also functioning as an owner-developer. They are actively exploring new sites and opportunities for both interim and permanent housing.

Shasta County currently collaborates with several developers of affordable housing and permanent supportive housing, including K2 Properties, Shasta Community Health Center, Northern Valley Catholic Services, Shasta County Veterans Services, and the City of Redding.

The County will continue to identify and foster working relationships with developers within the community. Shasta County will work to develop and maintain relationships with entities providing permanent supportive housing. Shasta County will continue to engage in service-level communications with stakeholders in the permanent housing realm, including Operation Zero Strategy meetings and Veterans' Homeless Collaboration Meetings.

Lassen County	Due to the rural nature of Lassen County, there are limited opportunities to engage with local housing developers, particularly those with experience in developing permanent supportive housing. The small population base, geographic isolation, and limited infrastructure can make traditional development less financially attractive to larger, urban-based developers. Despite these challenges, we are actively working to build relationships with regional and statewide developers who specialize in affordable and supportive housing. Our engagement strategies include: • Participating in regional housing planning efforts and networks to identify and connect with developers who may be interested in rural opportunities. • Coordinating with state-level partners and technical assistance providers to better understand financing tools that can be used to support rural housing development. • Exploring alternative development models, such as modular housing, tiny home communities, and adaptive reuse of existing buildings, which may be more feasible and appealing to developers in a rural setting. While the current landscape presents barriers, we are committed to expanding our developer engagement efforts and advocating for rural-specific solutions that will help bring interim and permanent supportive housing to Lassen County.
Modoc County	Modoc County does not currently have any housing developers.
Del Norte County	Del Norte County Housing Program works closely with our Housing Authority Department Director, who plays a key role in keeping us informed about new housing developments in the region, including those focused on interim housing, affordable housing, and Permanent Supportive Housing (PSH). Through ongoing communication with the Housing Authority, we stay up to date on: • New development projects coming to Del Norte County, • The affordability levels of all units being proposed, and •The eligibility criteria for each project, including those specifically

	designed for individuals experiencing or at risk of homelessness. This information allows us to effectively plan and coordinate with housing developers by identifying potential funding sources and aligning available resources, such as HHAP, PLHA, or other state and federal funding streams, to support project financing.
Plumas County	PCIRC has long worked with the Plumas County Planning Department and is a member of the Plumas Housing Council. Presently, the agency does not have any PSH funds, but does participate in extensive housing navigation to secure individuals and families permanent housing through scattered sites.
Sierra County	PCIRC has long worked with the Plumas County Planning Department and is a member of the Plumas Housing Council. Presently, the agency does not have any PSH funds, but does participate in extensive housing navigation to secure individuals and families permanent housing through scattered sites.

3.a.4. Coordination of and Connection to Service Delivery

Eligible Applicant	Describe how the Eligible Applicant is coordinating, connecting, and delivering services - including Mental Health Services Act or Behavioral Health Services Act within the region - to individuals experiencing homelessness, or at risk of experiencing homelessness
Siskiyou County	The Behavioral Health Division of HHSA has a Homeless Outreach Specialist who supports unsheltered individuals to navigate and connect with resources such as MHSA. The mobile crisis team at Behavioral Health also assists in this capacity, promoting awareness of resources and referring individuals as appropriate. The Agency also contracts with NVCSS to operate Six Stones Wellness Center, a member directed wellness program that fosters wellness recovery and resiliency to those living with mental illness. For many years, Six Stones has engaged the unhoused population and tailored services to their needs in addition to connecting them with Behavioral Health. Six Stones is one of the county's many MHSA funded services.
Shasta County	The Good News Rescue Mission is one of the largest providers of homeless services in Shasta County. Those services include emergency and day shelter, hygiene services, three meals a day, case management, EC, Community Supports, recovery, sober living homes, micro shelters and an academic/job readiness program. Hill Country Community Clinic offers programs focused on wellness, recovery and the reduction of stigma. They provide ECM, Community Supports, outpatient mental health services, prevention and early intervention programs. Shasta County assists individuals experiencing homelessness and/or at risk of homelessness by connecting them to an internal housing program that provides intensive case management services with a housing-first "whole person" approach to care. Several programs are offered within the County, including CalAIM Community Supports and Enhanced Care Management, Behavioral Health Bridged Housing, the Housing Support Program, the Housing and Disability Advocacy

	Program, all rounds of HHAP, and Home Safe. If needed, services and referrals may include mental health and substance use support, community health advocacy, financial services, and other support. Community partners in these efforts include FaithWorks, the Good News Rescue Mission and Hill Country Community Clinic. Shasta County is navigating internal changes, assessing its ability to provide housing services within the Behavioral Health Services Act in the region, and considering whether a waiver is needed at this time.
Lassen County	We are actively coordinating with Lassen County Behavioral Health (an active member of Lassen County's Advisory Board to the NorCal CoC) to connect individuals experiencing, or at risk of experiencing, homelessness with essential behavioral health services. This includes an ongoing collaboration through the Behavioral Health Bridge Housing (BHBH) Program, which expands access to bridge housing and pathways to permanent housing for individuals with behavioral health needs, including those with serious mental illness and/or substance use disorders. Looking ahead, we will continue to work closely with Lassen County Behavioral Health to integrate services funded through the Behavioral Health Services Act (BHSA) and CalAIM. Together, we are building systems that ensure individuals experiencing homelessness are connected to: • Case management and housing navigation • Supportive housing and wraparound services for individuals with complex behavioral health needs • Rental assistance and financial support for housing-related costs Our multidisciplinary outreach team, which includes a Behavioral Health Case Worker, conducts regular outreach in Susanville and surrounding rural areas. This team plays a critical role in engaging unsheltered individuals, identifying behavioral health needs in the field, and coordinating referrals, assessments, and service enrollment with Lassen County Behavioral Health. Through ongoing collaboration, shared outreach, and coordinated case planning, we are committed to ensuring that individuals experiencing homelessness have timely access to behavioral health services and the financial resources needed to secure and maintain housing. At the same time, we are working to strengthen the local infrastructure and service delivery framework to fully align with BHSA and CalAIM goals for long-term housing stability and whole-person care.
Modoc County	Modoc County Behavioral Health subcontracts with TEACH to provide housing services through the Bridge Housing Program. Behavioral Health Department employees refer clients for services to our housing department.
Del Norte County	The Del Norte County Housing Department is integrated within the same building as Behavioral Health to ensure a more coordinated and holistic approach to client care. This co-location allows the Housing Services team to work closely with Behavioral Health staff, recognizing that individuals and families experiencing homelessness

	or at risk of becoming homeless often face multiple, complex challenges. By connecting clients to behavioral health services early in the process, we can more effectively address both their housing needs and any underlying issues that may be contributing to their instability.
Plumas County	PCIRC has long coordinated, connected and delivered emergency homeless services, homeless prevention services, and housing navigation/rapid re-housing services to MHSA or BHSA individuals in both Plumas and Sierra Counties.
Sierra County	PCIRC has long coordinated, connected and delivered emergency homeless services, homeless prevention services, and housing navigation/rapid re-housing services to MHSA or BHSA individuals in both Plumas and Sierra Counties.

3.a.5. Policies for Addressing Encampments

Encampment	Address or General Location	Estimated Population	What are the region's specific plans to address this encampment?	What are the Key Milestone Dates to carry out the described plan?	ERF Status (site funded by ERF)	ERF Contract #	Are there current plans to submit an ERF application to address this site?	Lead Entity for addressing this encampment
Oasis @AMPM (SHASTA COUNTY)	Green space encompassed by Oasis Rd, Cascade Blvd, Baier Rd, and Arrowhead Ave. Multiple parcels with multiple ownerships including	12	Engage with population to increase rapport Each visit, assess for immediate need and safety/public health concerns Offer residents referral for HMIS Coordinated Entry Offer residents community resources	N/A	No		No	Shasta County

	private, city, and county.						
Shasta Lake City- McDonald's (SHASTA COUNTY)	Green space on either side of Cascade Blvd in between Shasta Dam Blvd and I-5 freeway and between Cascade Blvd and Grand Oaks Elementary School in Shasta Lake City	4	Engage with population to increase rapport Each visit, assess for immediate need and safety/public health concerns Offer residents referral for HMIS Coordinated Entry Offer residents community resources	N/A	No	No	Shasta County
Burney (SHASTA COUNTY)	Green space behind Comets Gas Station on Hwy 299 E in Burney	6	Engage with population to increase rapport Each visit, assess for immediate need and safety/public health concerns Offer residents referral for HMIS Coordinate	N/A	No	No	Shasta County

			d Entry Offer residents community resources				
RC Hobby and Canal (SHASTA COUNTY)	Greenspace SW of Canyon Rd in Redding near intersection of Hwy 273 and Canyon Rd (Borders city limits but no in city)	22	Engage with population to increase rapport Each visit, assess for immediate need and safety/public health concerns Offer residents referral for HMIS Coordinated Entry Offer residents community resources	N/A	No	No	Shasta County
City of Redding Locations (Shasta County)—see attached spreadsheet					No	No	
Lassen County			Lassen County does not currently have established or regularly occurring encampments in fixed locations. However, individuals experiencing unsheltered homelessn		No	No	

ess are known to camp intermittently along the Susan River near Susanville. These encampments are typically informal, dispersed, and temporary in nature, with individuals or small groups frequently moving from one location to another. As such, there is not a consistent presence or concentration that would qualify as a defined encampment zone. While there is no formal encampment site, the Susan River corridor near Susanville is the primary area of concern, and outreach teams

conduct regular engagement in this area to identify individuals in need of services, offer supplies, and connect people to shelter and housing resources. Our outreach approach is flexible and responsive to these fluid conditions, with a focus on building trust and addressing needs as individuals move between locations. Given the lack of fixed encampment sites, we are unable to provide a map or table of specific encampments, but we are submitting a brief narrative description to satisfy this requirement

			. If consistent or larger encampments emerge in the future, we will document and address them.				
Modoc	There are no encampments in Modoc County				No	No	
The Swamps (Del Norte)	South area of Crescent City (Iowa/ Maiden lane/back side of Safeway)	400	This site was the focus of the County's ERF grant; the County is working with Del Norte Mission Possible to build a 60 bed emergency shelter and a 50 unit micro village; these two projects will serve up to 150 people currently camping at The Swamps	Expected completion late summer/early fall 2025	Yes	#23-ERF-E-L-00002	Del Norte County
Plumas County	Several individuals and				No	No	

	families may band together to live as certain sites briefly, but not in the long term.			
Sierra County	Several individuals and families may band together to live as certain sites briefly, but not in the long term.		No	No

Eligible Applicants with a current and formal policy to address encampments that <u>fully or partially complies</u> with the Cal ICH Guidance on Addressing Encampments must complete the following:

Formal Encampment Policy - Fully or Partially Compliant

Eligible Applicant	Applicant confirms the plan complies with the Cal ICH Guidance on Addressing Encampments?	If you selected "Yes, in part," describe what elements of the policy do comply with the Cal ICH Guidance on Addressing Encampments, and specifically how they comply.	Provide a link to the policy or upload a copy below
Lassen County	Yes, in part	Lassen County adopted an ordinance on December 10, 2024, addressing camping on public property. While not a formal policy adopted specifically under the Cal ICH Guidance, the ordinance incorporates several key principles aligned with the guidance, including: A requirement to provide 72-hour notice prior to any encampment abatement; A process for storing and allowing retrieval of personal property left behind, in accordance with procedures developed by the Lassen County Sheriff's Office. However, the ordinance does not currently formally require the provision of information on available services, such as shelter or housing options, prior to displacement. While this is not explicitly written into the ordinance, it is current practice for County staff and outreach partners to offer information on services and shelter options when engaging with individuals camping on public	

	property.
Siskiyou County	Yes

Upload: Copy of Formal Policy to Address Encampments
Siskiyou 24-136_ESTABLISH ENCAMPMENT REMOVAL POLICY_CAO.pdf

Lassen Ordinance 2024-13_Camping Public Property.pdf

Eligible Applicants <u>without a current and formal policy</u> to address encampments that fully or partially complies with the Cal ICH Guidance on Addressing Encampments must complete the following:

Formal Encampment Policy - Nonexistent

Eligible Applicant	Describe existing efforts to address encampments	Does the Eligible Applicant actively commit to adopting a policy that complies with the Cal ICH Guidance on Addressing Encampment?	Provide a specific timeline, including dates, for future adoption of formal policies that comply with the Cal ICH Guidance on Addressing Encampments
Modoc County	Does not have encampments	Yes	By May 2028
Plumas County	Does not have encampments	Yes	By May 2028
Sierra County	Does not have encampments	Yes	By May 2028
Del Norte County	Has an ERF grant to address encampment in Crescent City, interim housing to be built in 2025 for 150 residents of encampments	Yes	By May 2027
Shasta County	Shasta County efforts include the following: Proper posting of notice for clean-up operations. Adequate retention for items after clean-up. Social Service partnerships. Providing training to staff on how to properly interact with homeless individuals. Documenting locations	Yes	By May 2028

where homeless individuals are required. Documenting alternate contact information. Connecting to immediate services such as medical transportation. Shasta County HHSA currently facilitates a scheduled monthly encampment outreach event, as well as others as needed. Our team utilizes a Housing Social Worker, Community Health Advocate, Peer Support Specialists, and Medical Case Managers.

3.a.6. Housing Element Compliance

Large City or county Eligible Applicant	Is this Eligible Applicant's Housing Element Compliant?	If not compliant, provide a timeline for all relevant milestones to achieve compliance (refer to Guidance and Example timeline and milestones for required level of detail)
Siskiyou County	Yes	
Shasta County	Yes	
Lassen County	No	The Lassen County Housing Element was adopted by the Board of Supervisors on December 10, 2024. In response to informal, preliminary feedback from the California Department of Housing and Community Development (HCD), non-substantive revisions were completed on January 13, 2025. The revised Housing Element was posted for public review on January 24, 2025, and circulated to interested stakeholders for a 7-day public comment period, in accordance with state requirements. HCD issued a formal findings letter regarding the adopted Housing Element on February 10, 2025. As of July 2, 2025, the County has completed all required revisions and will be posting the updated draft for a 7-day public review period before resubmitting to HCD for final certification.
Modoc County	Yes	
Del Norte County	Yes	

Plumas County	No	Plumas County's Housing Element is in development; the public review draft is currently published. The County is actively working with HCD on this and has laid out an anticipated timeline, which estimates certification in Spring 2026.
Sierra County	Yes	

3.a.7. Housing Element Implementation

Large City or county Eligible Applicant	Has this Eligible Applicant implemented all programs in their adopted Housing Element on the timelines identified therein?	If not, provide a specific timeline and plan with dates to implement the past due programs.
Siskiyou County	Yes	
Shasta County	Yes	
Lassen County	No	No. Not all programs from the 2019-2024 Housing Element were fully completed. However, Lassen County has made progress in implementing many of these programs. Several programs have been amended and incorporated into the 2024-2029 Housing Element Update. Enhancements have been made to further affirmatively further fair housing, promote energy conservation, and facilitate by-right development of accessory dwelling units. Some programs have been consolidated—such as those addressing farmworker and farm labor housing—to improve clarity and effectiveness. Programs that were completed or determined to be no longer applicable were discontinued. Applicable programs will continue to be implemented or have been modified for continuation in the current Housing Element. Programs that have been completed or are no longer applicable will not continue. Applicable programs that remain unfinished or require updates have been revised and incorporated into the current Housing Element. The County will follow the timelines established in the 2024-2029 Housing Element Update to ensure their full implementation going forward.
Modoc County	Yes	

Del Norte County	Yes
Plumas County	No
Sierra County	Yes

3.a.8. Prohousing Designation

Large City or county Eligible Applicant	Current Prohousing Designation Status	For Eligible Applicants that have not yet applied, list the Prohousing Policies (as described in the Prohousing application) that they have adopted or plan to adopt in the future.
Siskiyou County		
Shasta County		
Lassen County		
Modoc County		
Del Norte County		
Plumas County		
Sierra County		

3.a.9. Housing Law Violations

Large City or county Eligible Applicant	Does this Eligible Applicant have any potential or actual housing law violations with HCD's Housing Accountability Unit or the Attorney General's Housing Justice Team?	If yes, provide a specific timeline and plan with dates to resolve the issue.
Siskiyou County	No	

Shasta County	No
Lassen County	No
Modoc County	No
Del Norte County	No
Plumas County	No
Sierra County	No

3.a.10. Surplus Land

Large City or county Eligible Applicant	Has this Eligible Applicant made a central inventory of all surplus land and all lands in excess of their foreseeable needs as required by Government Code section 54230?	If not, the Eligible Applicant must provide a specific timeline and plan with dates to create such an inventory.
Siskiyou County	Has a central inventory.	
Shasta County	Has a central inventory.	
Lassen County	Has a central inventory.	
Modoc County	Has a central inventory.	
Del Norte County	Has a central inventory.	
Plumas County	Has a central inventory.	
Sierra County	Has a central inventory.	

3.a.11. Annual Progress Report

Large City or county Eligible Applicant	Has this Eligible Applicant submitted a timely and complete annual progress report for at a minimum, the past two years?
Siskiyou County	Yes
Shasta County	Yes
Lassen County	Yes
Modoc County	Yes
Del Norte County	Yes
Plumas County	Yes

Sierra County	Yes

Section 3.b. System Performance Measures Improvement Plan

3.b System Performance Measures Improvement Plan

The System Performance Measures Improvement plan documents all the Key Actions the regional partners are taking to improve their homelessness CA System Performance Measures (SPMs) listed in [Section IV.A.3.b.i. of the HHAP 6 NOFA](#). The plan may also include the Key Actions of small jurisdictions and/or tribal governments in the region that elect to engage and collaborate in the Regionally Coordinated Homelessness Action Plan.

All items currently being funded through HHAP Rounds 1 through 5, as well as all activities proposed to be funded through HHAP 6, must be included as Key Actions in the System Performance Measures Improvement Plan. Each regional partner must also include the Key Actions they are taking beyond HHAP 6 funding to address homelessness. These Key Actions must include how each regional partner is improving the region's CA SPMs through use of local, state, and federal funds.

The System Performance Measures Improvement Plan must include:

- At least one Key Action related to reducing CA SPM: "The number of people experiencing unsheltered homelessness"
- At least one Key Action related to increasing CA SPM "the number of people exiting homelessness into Permanent Housing," and
- At least one Key Action with a specific focus on reducing first time instances of homelessness for those exiting institutional settings, including, but not limited to jails, prisons, and hospitals.

Each Key Action must be described in clear, specific terms and must do the following:

1. Identify the CA SPM(s) that the Key Action will improve (you may choose more than one SPM).
2. Describe how the Key Action will improve the CA SPM(s).
3. Identify the lead entity and collaborating entities partnering to achieve the Key Action. Collaborating entity/ies may include a group, organization, or jurisdiction within your region working to address or improve the system performance measure. This can be another participating Eligible Applicant, a system partner, or any organization actively participating in the Key Action.
4. Provide the target date for milestones and completion of the Key Action.
5. Provide a clear metric for how success of the Key Action will be measured.
6. Identify the funding source(s) for the Key Action.
   - Note: At a minimum, all funding sources listed in Section IV.A.3.b.ii. of the HHAP 6 NOFA, excluding any that are unavailable to the region within the grant term (FY24/25-FY28/29), must be identified as funding sources for at least one Key Action within the System Performance Measures Improvement Plan.
7. Describe how the funding source(s) will contribute to the achievement of the Key Action.

   - Note: For HHAP 6-funded Key Actions, include the eligible use category or categories as applicable.

8. Describe how the Key Action will address system performance disparities and ensure racial and gender equity in at least one of the following areas: Service Delivery, Housing Placements, Housing Retention, Changes to procurement, or other means of affirming racial and ethnic groups that are overrepresented among residents experiencing homelessness have equitable access to housing and services.

Available Funding Sources in the Region

If applicable, list any funding sources mentioned in [Section IV.A.3.b.ii. of the HHAP 6 NOFA](#) that are not available in the region within the grant term (FY24/25-FY28/29).

Available Funding Sources within the Region Narrative
Housing for a Healthy California, National Housing Trust Fund

Key Actions to Improve the Region's CA SPMs

Guidance:

Please note that all Key Actions are numbered to ensure Key Actions may be easily referenced in later parts of the regional application. Applicants can refer to the # provided. E.g., Key Action 1, Key Action 2, etc.

Key Actions

Key Action 1

Description
Provide a Motel/Hotel Voucher Program to provide interim shelter for people experiencing homelessness until they can be connected to permanent housing resources

Identify which CA SPM(s) will be improved by Key Action 1 and how.

SPM Improvement Plan for Key Action 1

CA SPM	Specific description of how Key Action 1 will improve this CA SPM
CA SPM 1b	Provides low-barrier shelter while housing is arranged
CA SPM 2	Provides low-barrier shelter while housing is arranged after release from institutional settings

Clear metric for how success of Key Action 1 will be measured
Expanded access to short-term lodging; number of people accessing services in HDIS
Expanded access to short-term shelter after release; number of people accessing services in HDIS

Lead Entities for Key Action 1
Del Norte County
Siskiyou County

Collaborating entity/ies for Key Action 1
Shelter providers, Outreach teams, Faith-based partners
Shelter providers, Outreach teams, Faith-based partners, staff at jails, prisons and hospitals, parole/probation staff

Key Actions to Improve the Region's CA SPMs - Milestone Dates for Key Action 1

Milestones for Key Action 1	Target dates for Key

	Action 1 milestones
Sustain or expand partnerships to ensure continued access to temporary lodging	12/31/2027
Finalize motel/hotel voucher program structure and exit planning protocols	12/31/2028

Target date for completing Key Action 1
12/31/2029

Funding Sources for Key Action 1

Funding Sources for Key Action 1

Funding source	Description of how the funding will contribute to the achievement of Key Action 1	For HHAP 6-funded Key Actions only: Eligible use category to fund this Key Action.
HHAP 6	Pays for hotel stays as short-term shelter	Motel/Hotel Vouchers

Identify which of the following equity improvement areas will be addressed by Key Action 1.

Equity Areas for Key Action 1

Equity area	Description of how Key Action 1will address system performance disparities and ensure racial and gender equity in this area (choose one at a minimum, or more)
Housing Retention	Provide motel/hotel vouchers with attention to equitable access and transitions to permanent housing

Key Action 2

Description
Sustain existing Interim Housing Programs which address unsheltered homelessness

Identify which CA SPM(s) will be improved by Key Action 2 and how.

SPM Improvement Plan for Key Action 2

CA SPM	Specific description of how Key Action 2 will improve this CA SPM
CA SPM 1b	Keeps interim sites open and fully utilized, reducing number of people sleeping outside
CA SPM 2	Keeps interim sites open and fully functioning, available for individuals recently released

Clear metric for how success of Key Action 2will be measured
Interim beds remain open and operational; number of people accessing services in HDIS
Interim beds remain open and operational, HMIS data; number of people accessing services in HDIS

Lead Entities for Key Action 2
Del Norte County
Plumas County
Sierra County
Siskiyou County

Collaborating entity/ies for Key Action 2
Nonprofit shelter operators, Transitional housing providers, County facility teams, staff at jails, prisons and hospitals, parole/probation staff

Key Actions to Improve the Region's CA SPMs - Milestone Dates for Key Action 2

Milestones for Key Action 2	Target dates for Key Action 2 milestones
Secure ongoing funding to maintain operations at key interim housing sites	12/31/2028
Secure ongoing funding and stabilize operations at interim housing sites	12/31/2028

Target date for completing Key Action 2
12/31/2029

Funding Sources for Key Action 2

Funding Sources for Key Action 2

Funding source	Description of how the funding will contribute to the achievement of Key Action 2	For HHAP 6-funded Key Actions only: Eligible use category to fund this Key Action.
HHAP 6	Funds operating costs for bridge and micro-shelter housing	Operating Expenses – Interim Housing

Identify which of the following equity improvement areas will be addressed by Key Action 2.

Equity Areas for Key Action 2

Equity area	Description of how Key Action 2will address system performance disparities and ensure racial and gender equity in this area (choose one at a minimum, or more)
Housing Retention	Support interim sites serving populations with limited shelter alternatives

Key Action 3

Description
Sustain case management and housing navigation services in existing Interim Housing Programs

Identify which CA SPM(s) will be improved by Key Action 3 and how.

SPM Improvement Plan for Key Action 3

CA SPM	Specific description of how Key Action 3 will improve this CA SPM
CA SPM 1b	Supports transitions from shelter and streets to permanent housing
CA SPM 2	Supports transitions from shelter to permanent housing after release from institutional settings

Clear metric for how success of Key Action 3 will be measured
More exits to permanent housing; number of people accessing services in HDIS
More exits to permanent housing after release; number of people accessing services in HDIS; improve service utilization tracking in HMIS

Lead Entities for Key Action 3
Del Norte County
Siskiyou County

Collaborating entity/ies for Key Action 3
Shelter case managers, Behavioral health providers, staff at jails, prisons and hospitals, parole/probation staff

Key Actions to Improve the Region's CA SPMs - Milestone Dates for Key Action 3

Milestones for Key Action 3	Target dates for Key Action 3 milestones
Implement consistent case management and service protocols across all interim housing programs	12/31/2027
Implement service coordination framework across all interim housing programs	12/31/2028

Target date for completing Key Action 3
12/31/2029

Funding Sources for Key Action 3

Funding Sources for Key Action 3

Funding source	Description of how the funding will contribute to the achievement of Key Action 3	For HHAP 6-funded Key Actions only: Eligible use category to fund this Key Action.
HHAP 6	Covers staffing for navigation and case management in interim housing	Interim Housing Services and Services Coordination

Identify which of the following equity improvement areas will be addressed by Key Action 3.

Equity Areas for Key Action 3

Equity area	Description of how Key Action 3 will address system performance disparities and ensure racial and gender equity in this area (choose one at a minimum, or more)
Housing Placements	Deliver low-barrier to entry and interim services that reflect the needs of diverse resident populations
Service Delivery	Deliver interim services that reflect the needs of diverse resident populations

Key Action 4

Description
Provide for improvements to the physical condition of existing interim housing

Identify which CA SPM(s) will be improved by Key Action 4 and how.

SPM Improvement Plan for Key Action 4

CA SPM	Specific description of how Key Action 4 will improve this CA SPM
CA SPM 1b	Improves shelter conditions to increase access and use
CA SPM 2	Improves shelter conditions to increase access and use for individuals recently released from institutional settings

Clear metric for how success of Key Action 4 will be measured
Safer, upgraded shelter environments; HMIS data; number of people accessing services in HDIS

Lead Entities for Key Action 4
Del Norte County

Collaborating entity/ies for Key Action 4
County maintenance departments, Shelter facility operators, staff at jails, prisons and hospitals, parole/probation staff

Key Actions to Improve the Region's CA SPMs - Milestone Dates for Key Action 4

Milestones for Key Action 4	Target dates for Key Action 4 milestones
Complete facility upgrades that improve accessibility, safety, and resident experience	12/31/2028
Complete site assessments and finalize improvement plans for interim housing	12/31/2028

Target date for completing Key Action 4
12/31/2029

Funding Sources for Key Action 4

Funding Sources for Key Action 4

Funding source	Description of how the funding will contribute to the achievement of Key Action 4	For HHAP 6-funded Key Actions only: Eligible use category to fund this Key Action.
HHAP 6	Supports repairs and upgrades to existing shelter facilities	Improvements to Existing Interim Housing

Identify which of the following equity improvement areas will be addressed by Key Action 4.

Equity Areas for Key Action 4

Equity area	Description of how Key Action 4will address system performance disparities and ensure racial and gender equity in this area (choose one at a minimum, or more)
Housing Retention	Direct facility upgrades to improve accessibility, safety, and dignity for all residents

Key Action 5

Description
Provide a Rapid Rehousing/Rental Subsidy Program to provide housing stability for persons exiting homelessness

Identify which CA SPM(s) will be improved by Key Action 5 and how.

SPM Improvement Plan for Key Action 5

CA SPM	Specific description of how Key Action 5 will improve this CA SPM
CA SPM 3	Quickly places people into housing with short-term support

Clear metric for how success of Key Action 5will be measured
More households stably housed; success in pursuing family reunification strategy

Lead Entities for Key Action 5
Del Norte County
Lassen County
Modoc County
Siskiyou County

Collaborating entity/ies for Key Action 5
Housing Authorities, Nonprofit service providers, CBOs with rental assistance, CoC

Key Actions to Improve the Region's CA SPMs - Milestone Dates for Key Action 5

Milestones for Key Action 5	Target dates for Key Action 5 milestones
Expand use of rental assistance in coordination with housing providers	12/31/2027

Target date for completing Key Action 5

Funding Sources for Key Action 5

Funding Sources for Key Action 5

Funding source	Description of how the funding will contribute to the achievement of Key Action 5	For HHAP 6-funded Key Actions only: Eligible use category to fund this Key Action.
HHAP 6	Covers deposits and short-term rent for people exiting homelessness	Rapid Rehousing/ Rental Subsidies

Identify which of the following equity improvement areas will be addressed by Key Action 5.

Equity Areas for Key Action 5

Equity area	Description of how Key Action 5 will address system performance disparities and ensure racial and gender equity in this area (choose one at a minimum, or more)
Housing Placements	Implement RRH with flexible supports for those facing systemic housing barriers

Key Action 6

Description
Provide sustainability of existing permanent housing through the provision of Operating Subsidies

Identify which CA SPM(s) will be improved by Key Action 6 and how.

SPM Improvement Plan for Key Action 6

CA SPM	Specific description of how Key Action 6 will improve this CA SPM
CA SPM 3	Keeps supportive housing units stable and operational

Clear metric for how success of Key Action 6 will be measured
Increased unit stability with subsidy support

Lead Entities for Key Action 6
Del Norte County
Lassen County
Modoc County

Collaborating entity/ies for Key Action 6
Affordable housing owners, Supportive housing providers, Public housing authorities

Key Actions to Improve the Region's CA SPMs - Milestone Dates for Key Action 6

Milestones for Key Action 6	Target dates for Key

	Action 6 milestones
Launch operating subsidy agreements at new or existing housing sites	12/31/2028

Target date for completing Key Action 6
12/31/2029

Funding Sources for Key Action 6

Funding Sources for Key Action 6

Funding source	Description of how the funding will contribute to the achievement of Key Action 6	For HHAP 6-funded Key Actions only: Eligible use category to fund this Key Action.
HHAP 6	Funds ongoing operations at The Legacy, a supportive housing site	Operating Subsidies – Permanent Housing

Identify which of the following equity improvement areas will be addressed by Key Action 6.

Equity Areas for Key Action 6

Equity area	Description of how Key Action 6 will address system performance disparities and ensure racial and gender equity in this area (choose one at a minimum, or more)
Housing Placements	Target operating support to sites serving historically excluded populations

Key Action 7

Description
Fund the provision of supportive services to residents of permanent housing

Identify which CA SPM(s) will be improved by Key Action 7 and how.

SPM Improvement Plan for Key Action 7

CA SPM	Specific description of how Key Action 7 will improve this CA SPM
CA SPM 3	Connects residents to services that support housing retention

Clear metric for how success of Key Action 7 will be measured
Residents connected to ongoing services

Lead Entities for Key Action 7
Del Norte County
Lassen County
Siskiyou County

Collaborating entity/ies for Key Action 7
Mental health providers, Supportive housing case managers, FQHCs or CalAIM providers, Peer support organizations

Key Actions to Improve the Region's CA SPMs - Milestone Dates for Key Action 7

Milestones for Key Action 7	Target dates for Key Action 7 milestones
Begin service coordination at permanent housing sites with dedicated partners	12/31/2027

Target date for completing Key Action 7
12/31/2029

Funding Sources for Key Action 7

Funding Sources for Key Action 7

Funding source	Description of how the funding will contribute to the achievement of Key Action 7	For HHAP 6-funded Key Actions only: Eligible use category to fund this Key Action.
HHAP 6	Pays for staff delivering supportive housing services	Permanent Housing Services and Services Coordination

Identify which of the following equity improvement areas will be addressed by Key Action 7.

Equity Areas for Key Action 7

Equity area	Description of how Key Action 7 will address system performance disparities and ensure racial and gender equity in this area (choose one at a minimum, or more)
Housing Placements	Ensure service delivery models are culturally responsive and low-barrier

Key Action 8

Description
Provide a gap financing program to facilitate the production of permanent affordable housing

Identify which CA SPM(s) will be improved by Key Action 8 and how.

SPM Improvement Plan for Key Action 8

CA SPM	Specific description of how Key Action 8 will improve this CA SPM
CA SPM 3	Enables new housing developments to move forward

Clear metric for how success of Key Action 8 will be measured
New housing units underway or completed

Lead Entities for Key Action 8
Shasta County

Collaborating entity/ies for Key Action 8

Affordable housing developers, Public housing authorities, County housing departments

Key Actions to Improve the Region's CA SPMs - Milestone Dates for Key Action 8

Milestones for Key Action 8	Target dates for Key Action 8 milestones
Finalize capital funding for selected permanent housing developments	12/31/2028

Target date for completing Key Action 8
12/31/2029

Funding Sources for Key Action 8

Funding Sources for Key Action 8

Funding source	Description of how the funding will contribute to the achievement of Key Action 8	For HHAP 6-funded Key Actions only: Eligible use category to fund this Key Action.
HHAP 6	Covers construction gap costs for new affordable and supportive housing	Capital for Permanent Housing

Identify which of the following equity improvement areas will be addressed by Key Action 8.

Equity Areas for Key Action 8

Equity area	Description of how Key Action 8will address system performance disparities and ensure racial and gender equity in this area (choose one at a minimum, or more)
Housing Placements	Prioritize projects that expand access for high-need and underrepresented groups, particularly veterans and unaccompanied youth

Key Action 9

Description
Provide a Homelessness Prevention and Diversion Program which provide short term financial resources for housing

Identify which CA SPM(s) will be improved by Key Action 9 and how.

SPM Improvement Plan for Key Action 9

CA SPM	Specific description of how Key Action 9 will improve this CA SPM
CA SPM 2	Helps people stay housed and avoid system entry after release from jails, prisons and hospitals

Clear metric for how success of Key Action 9will be measured
Fewer entries into homelessness; number of people accessing services in HDIS

Lead Entities for Key Action 9
Lassen County
Siskiyou County

Collaborating entity/ies for Key Action 9
Housing stabilization providers, Faith-based organizations, staff at jails, prisons and hospitals, parole/probation staff

Key Actions to Improve the Region's CA SPMs - Milestone Dates for Key Action 9

Milestones for Key Action 9	Target dates for Key Action 9 milestones
Launch expanded prevention/diversion program with coordinated provider network	12/31/2028

Target date for completing Key Action 9
12/31/2029

Funding Sources for Key Action 9

Funding Sources for Key Action 9

Funding source	Description of how the funding will contribute to the achievement of Key Action 9	For HHAP 6-funded Key Actions only: Eligible use category to fund this Key Action.
HHAP 6	Pays for short-term financial assistance to prevent homelessness	Prevention and Diversion

Identify which of the following equity improvement areas will be addressed by Key Action 9.

Equity Areas for Key Action 9

Equity area	Description of how Key Action 9will address system performance disparities and ensure racial and gender equity in this area (choose one at a minimum, or more)
Housing Placements	Structure diversion resources to meet the needs of those at highest risk of system entry

Section 4. HHAP 6 Funding Plan

4. HHAP-6 Funding Plan

State Priorities for HHAP 6 Funding: HHAP 6 is intended to reflect the state's priorities to prevent and expeditiously reduce unsheltered homelessness through homelessness prevention activities and sustain existing Interim Housing Solutions, and Permanent Housing Solutions, including long-term sustainability of interim housing and permanent affordable housing.

To complete the HHAP 6 Funding Plan:

1. Identify the Administrative Entity submitting the budget.
   o Provide the Tax ID/TIN, primary contact for the contract, contact email, contact phone, and address for where the HHAP 6 check will be mailed.
   o Provide the total dollar amount of the HHAP 6 allocation(s) being administered under the Funding Plan.
      ▪ **Reminder: This must account for 100 percent of the HHAP 6 Allocation(s) the Administrative Entity will be responsible for administering.**
2. Describe all activities proposed to be funded by HHAP 6 in clear, specific terms, and:

   o Identify the HHAP 6 eligible use category under which each proposed activity is budgeted. Activities must be specific and may only be categorized under one eligible use category. Activities may not be categorized under multiple eligible use categories (including activities under the Youth Set Aside).
   o Provide the total dollar amount of HHAP 6 funding proposed for the activity.
      ▪ **Reminder: Administrative costs may not exceed 7% of all monies received.**
      ▪ **Reminder: The Youth Set Aside (YSA) amounts, when combined, must total at least 10% of all monies received.**
   o Identify which System Performance Measure Improvement Plan Key Action(s) the activity supports.
   o **The total HHAP 6 funding proposed for the activity** should account for all dollars budgeted toward that activity. These amounts, when added, must account for 100 percent of the HHAP 6 Allocation(s) the Administrative Entity will be responsible for administering.

3. Indicate whether the budget proposes to support ANY:

   o New Interim Housing (aside from those designated in the Youth Set Aside) and/or
   o Non-Housing Solutions.

Note: If the HHAP 6 budget proposes spending on New Interim Housing and/or Non-Housing Solutions, the region must document the sustainability of its permanent housing portfolio, as outlined in NOFA section IV.A.4.c, in the next section of this application.

Funding Plans from Administrative Entity/ies in Redding/Shasta, Siskiyou, Lassen, Plumas, Del Norte, Modoc, Sierra Counties CoC Participating in this Application

Administrative Entity 1

Which Administrative Entity is submitting the below budget?
Siskiyou County

$ Total HHAP-6 Allocation(s) Administering
$578,532.71

4.a. Proposed Funding Activities

Activity 1

Describe Activity 1 in clear, specific terms.

Funding Plan Description - Activity 1
Provides short-term rental assistance, security deposits, and utility support to help individuals and families exit homelessness and stabilize in permanent housing. Priority is given to veterans, individuals with acute medical needs, and seniors. Assistance is delivered using a low-barrier, Housing First approach and includes housing navigation and case management.

Identify the HHAP 6 eligible use under which Activity 1 is budgeted.

Funding Plan Selection - Eligible Use Category for Activity 1
Rapid Rehousing/ Rental Subsidies

Identify the total HHAP 6 funding proposed for Activity 1.

Funding Plan Amount - Activity 1
$25,000.00

Identify which System Performance Measure Improvement Plan Key Action(s) Activity 1 supports.

Funding plan activity 1Key Action Link

Key Action(s) (from the System Performance Measure Improvement Plan, Section 3.b. of the regional application) Activity 1 will improve

#5

Activity 2

Describe Activity 2 in clear, specific terms.

Funding Plan Description - Activity 2
Funds housing retention case management and supportive services for individuals and families who were formerly homeless and have recently moved into permanent housing. Services are designed to promote stability and prevent returns to homelessness, using a low-barrier, Housing First approach.

Identify the HHAP 6 eligible use under which Activity 2 is budgeted.

Funding Plan Selection - Eligible Use Category for Activity 2
Permanent Housing Services and Services Coordination

Identify the total HHAP 6 funding proposed for Activity 2.

Funding Plan Amount - Activity 2
$50,000.00

Identify which System Performance Measure Improvement Plan Key Action(s) Activity 2 supports.

Funding plan activity 2Key Action Link

Key Action(s) (from the System Performance Measure Improvement Plan, Section 3.b. of the regional application) Activity 1 will improve

#7

Activity 3

Describe Activity 3 in clear, specific terms.

Funding Plan Description - Activity 3
Funds housing-focused case management and supportive services for individuals and families at risk of homelessness. Services aim to support housing stability and prevent loss of housing through a low-barrier, Housing First approach, prioritizing those with high vulnerability.

Identify the HHAP 6 eligible use under which Activity 3 is budgeted.

Funding Plan Selection - Eligible Use Category for Activity 3
Prevention and Diversion

Identify the total HHAP 6 funding proposed for Activity 3.

Funding Plan Amount - Activity 3
$50,000.00

Identify which System Performance Measure Improvement Plan Key Action(s) Activity 3 supports.

Funding plan activity 3Key Action Link

Key Action(s) (from the System Performance Measure Improvement Plan, Section 3.b. of the regional application) Activity 1 will improve

#9

Activity 4

Describe Activity 4 in clear, specific terms.

Funding Plan Description - Activity 4
Provides short-term hotel and motel stays as interim housing for individuals and families experiencing homelessness, with priority for veterans, seniors, and individuals with acute medical needs. Serves a mix of currently unhoused individuals and those newly entering the system. This is an existing HHAP-funded program delivered using a low-barrier, Housing First approach.

Identify the HHAP 6 eligible use under which Activity 4 is budgeted.

Funding Plan Selection - Eligible Use Category for Activity 4
Motel/Hotel Vouchers

Identify the total HHAP 6 funding proposed for Activity 4.

Funding Plan Amount - Activity 4
$247,250.09

Identify which System Performance Measure Improvement Plan Key Action(s) Activity 4 supports.

Funding plan activity 4Key Action Link

Key Action(s) (from the System Performance Measure Improvement Plan, Section 3.b. of the regional application) Activity 1 will improve

#1

Activity 5

Describe Activity 5 in clear, specific terms.

Funding Plan Description - Activity 5
Provides housing-focused case management and supportive services for individuals and families staying in interim housing programs, including hotel/motel and shelter sites. Services are designed to support transitions to permanent housing and are delivered onsite. Includes dedicated services through a youth shelter provider for unaccompanied minors and transition-age youth.

Identify the HHAP 6 eligible use under which Activity 5 is budgeted.

Funding Plan Selection - Eligible Use Category for Activity 5
Interim Housing Services and Services Coordination

Identify the total HHAP 6 funding proposed for Activity 5.

Funding Plan Amount - Activity 5
$160,000.00

Identify which System Performance Measure Improvement Plan Key Action(s) Activity 5

supports.

Activity 10

Describe Activity 10 in clear, specific terms.

Funding Plan Description - Activity 10
DN Supports operations of a bridge housing project with 8 beds in a shared living environment for individuals and families, with a two-year target duration of tenancy while transitioning to permanent housing through behavioral health and housing resources. Includes operating costs for 50 ERF micro-shelter units opening in late 2025.
PL CoC & Co. Funds operating costs for Ohana Village, an interim housing site opening in late 2025 with 26 detached non-congregate cabins (16 studios, 8 one-bedrooms, and 2 two-bedrooms) serving individuals and families. Ohana Village is co-located with the North Star Navigation Center, which provides 27 beds. Programs funded by HHAP-6 will serve residents of both sites. Covered expenses include food, 24-hour security, transportation, and workforce training—delivered onsite and available exclusively to residents. The program prioritizes youth referrals through partnerships with Plumas County Unified School District, Plumas County Office of Education, Plumas and Sierra County Probation, Sierra County Behavioral Health, and local law enforcement.
SH Provides operating costs for interim housing sites serving individuals (including unaccompanied youth) experiencing homelessness. Priority is given to those with mental health disorders, substance use disorders, or involvement in the criminal justice system. Services are provided onsite and exclusively for individuals staying in the housing programs, following a low-barrier, Housing First approach.
SR CoC & Co. Funds operating costs for Ohana Village, an interim housing site opening in late 2025 with 26 detached non-congregate cabins (16 studios, 8 one-bedrooms, and 2 two-bedrooms) serving individuals and families. Ohana Village is co-located with the North Star Navigation Center, which provides 27 beds. Programs funded by HHAP-6 will serve residents of both sites. Covered expenses include food, 24-hour security, transportation, and workforce training—delivered onsite and available exclusively to residents. The program prioritizes youth referrals through partnerships with Plumas County Unified School District, Plumas County Office of Education, Plumas and Sierra County Probation, Sierra County Behavioral Health, and local law enforcement.

Does this budget propose to fund any New Interim Housing Solutions, aside from those designated in the Youth Set Aside?
No

Does this budget propose to fund any Non-housing Solutions?
No

Section 4.b-d. Housing Portfolio

Housing Portfolio

Funding Priority Considerations: Documenting Sustainability of the Region's Interim and Permanent Housing Portfolios

Steps to complete this section:

To complete 4.b. Sustainability of the Region's Interim Housing Portfolio:

1. Identify the total existing Interim Housing shelters and beds (beds) in the region.

2. If proposing to use HHAP 6 to fund New Interim Housing solutions, aside from those designated for the Youth Set Aside, Eligible Applicants must identify the total beds proposed to be added during the grant term (FY24/25-28/29) in the region and are required to complete 4c, the Sustainability of the Region's Permanent Housing Portfolio.

3. Identify the total estimated capital and operating costs for the beds (existing and, if applicable, proposed to be added) during the grant term.

4. Identify the funding sources (including amounts) that will realize and sustain the estimated capital and operating costs for the beds in the region for the grant term.

To complete 4.c. Sustainability of the Region's Permanent Housing Portfolio:

Required if any regional partner is proposing to spend HHAP 6 funding on New Interim Housing solutions (aside from those designated for the Youth Set Aside) and/or Non-Housing Solutions.

For the region's existing, at-risk, and proposed permanent affordable housing identify all the following:

1. The total (existing, at-risk, and proposed) permanent affordable housing developments and units (developments) in the region. Data for existing and at-risk developments can be provided by HCD upon request.

    Note: Developments proposed includes those currently seeking permanent housing funding or operations support in the region which still have a financing or supportive services and operations funding gap.

2. The total estimated capital and operating costs for (existing, at-risk, and proposed) developments during the grant term.
3. The funding sources (including amounts) that will realize and sustain the estimated capital and operating costs for (existing, at-risk, and proposed) developments in the region for the grant term.

To complete 4.d. Documentation of Youth Set Aside Requirement:

1. Certify that the region has budgeted at least 10 percent of each HHAP 6 allocation to be spent on services for homeless youth (as defined in HSC 50216(l).

4.b. Sustainability of the Region's Interim Housing Portfolio

Region's Interim Housing Portfolio

Number of Existing Interim Beds (beds) within the Region
1,002

(If Applicable) Number of Interim Beds Proposed to be added within the grant term (FY24/25-28/29)
209

Total Estimated Capital and Operating Cost for the Existing and Proposed Beds during the grant term
$40,348,809.00
