## Funding

The Administrative Entity develops a strong application and aggressively seeks resources from other funding opportunities as appropriate. The CoC adequately manages the funds, conducts activities that achieve CoC outcomes and goals, and maximizes the use of the funds. The CoC follows a collaborative process for developing applications and approving the submission of applications in response to a NOFA published by HUD and/or the State of California; in concert with the funding priorities and plan adopted by the Strategic Plan.

When funding is made available to the CoC, a NOFA process begins, which will include an open application process across the CoC region, including an addendum with County specific criteria if applicable, and use of the Rating and Ranking committee when funds are oversubscribed.

### A. Application Standards and Thresholds

The Administrative Entity will annually update the requirements for federal and/or state applications, as specified in the funding contract.

All Applicants must meet the following threshold requirements:

1. Service providers and counties receiving CoC funding must actively participate in the PIT/HIC count as per section D of the PIT and HIC;
2. Actively collect, enter, and maintain HMIS data, including, but not limited to the following:
  - a. Provide timely and accurate HMIS data input, based on current HMIS user policy;
  - b. Provide timely responses to data requests; and/or
  - c. Applicant may partner with an agency that does currently collect and enter HMIS data. The partner Agency must be listed in the application.
3. Participate in Coordinated Entry, per user agreement as referenced in 24 CFR 578.7;
4. Be a member of their local NorCal CoC Advisory Board, voting or participant in good standing;
5. A completed application is submitted by the deadline;
6. Provide the following completed certifications with the funding application or NOFA;
  - a. Advisory Board certification of member status;
  - b. HMIS certification of project participation; and
  - c. Point in Time Participation certification.
7. The applicant's organization must adequately demonstrate they have capacity and experience to successfully manage the funds, including consideration of their ability to manage existing grants; additional financials may be requested per the project funding per **2 CFR Part 200.501**;
8. The applicant's organization must adequately demonstrate they have capacity and experience to implement the project in their application;
9. The grant request is reasonable based upon the proposed scope, number of client services, and availability and utilization of existing competitive programs within the geographical area;
10. The application is likely to improve the CoC's outcome performance and will contribute to reducing homelessness; and
11. The project meets specific threshold requirements per the NOFA.

## B. Rating and Ranking

Agencies may be called upon to participate in the Rating and Ranking (R&R) committee. R&R committees are neutral groups without a conflict of interest, consisting of three or more individuals comprised of active CoC voting members or participants who will rate, rank, and determine funding amounts of applications based on the NOFA Application criteria. Committee members should be familiar with housing and homeless needs and be willing to review projects with the best interest of homeless persons in mind. The R&R committee members must be able to meet deadlines set by the Administrative Entity.

## C. Grievance and Appeals

All funding applications not meeting thresholds will be denied. Applicants may submit a grievance or appeal to the Administrative Entity to be reviewed by the established Grievance Committee. The Grievance Committee will provide a written decision, the Committee's determination will be considered final.

## D. Grant Sub-recipient threshold requirements

1. Any agency awarded CoC funding must maintain threshold requirements throughout the grant performance period, in accordance with the funding agreement.
2. Upon request of remaining funds, the Administrative Entity will confirm adherence with continuing to meet threshold requirements.
3. If a Grant Sub-recipient is not maintaining threshold requirements they will not be eligible to receive remaining funds until requirements are met, or will be required to repay the funds, as outlined in the contract.

## E. Shasta CoC Advisory Board Addendum for Application Standards and Thresholds

1. Be a voting member in good standing (refer to the NorCal CoC Advisory Board Membership Policy)
2. Service providers and counties receiving CoC funding must actively participate in the PIT/HIC count as per section D of the PIT and HIC; In the alternative, applicant could partner with agency that does currently meet PIT participation requirements.
3. Provide the following completed certifications with the funding application or NOFA;
  - a. Advisory Board certification of member status;
  - b. HMIS certification of project participation; and
  - c. Point in Time Participation certification.
  - d. Coordinated Entry certification, if applicable.
4. Applications can be submitted for projects that align with the eligible uses, however applications will score additional points if they can demonstrate how their project aligns with the adopted Shasta CoC Advisory Strategic Plan Goals to achieve functional zero homelessness for veterans located in Shasta County over 3 years.
  - a. Commitment to look for opportunities to direct existing funding, when possible, toward the achievement of this goal, and when strategic, braid funds together with the funding of other local entities.
5. All applicants will be required to provide a presentation of their project to the Shasta CoC Advisory Board. If a presentation is not presented, your application will not be eligible for funding consideration.
  - a. After the release of the NOFA and before the application deadline, the Shasta CoC

Advisory Board will schedule time for each agency seeking project funding to provide a presentation of their proposed application. Presentations should include:

- Total project budget, with itemization of how funds will be used
- Identify the eligible use category for this application
- Total funding requested in application
- Details of how project prioritizes strategic plan goal
- Other sources of braided funding
- How many people this project anticipates to serve

b. In an effort to avoid over-subscription of available funding, the applicants will have the opportunity to collaborate and the option to make project budget modifications following the presentation process.

c. If an applicant submits an application requesting funds greater than previously presented to the CoC, their application will only be considered for the amount that was originally presented.

d. If the submitted applications exceed the available funding amount, the applications will move to a rating and ranking committee for final recommendations to be presented to the Shasta Advisory Board for final approval. The Rating and Ranking Committee will use the following criteria maximum point metrics.

Criteria	Points
Experience	20
Capacity	20
Design	15
Impact/Effectiveness	20
Funding Plan	20
Shasta Strategic Plan/Set Aside	5

6. Grant Sub-recipient threshold requirements

If a Grant Sub-recipient is not maintaining threshold requirements they will not be eligible to receive remaining funds until requirements are met, or will be required to repay the funds, as outlined in the contract. Funds will be redistributed based on state and Federal program guidelines to other eligible grantees.

# 2025 HDX Competition Report

This workbook contains summary information about your CoC's data as it was entered into HDX 1.0 and HDX 2.0 for your use as part of the 2025 Competition.

## **To Print this Workbook:**

This document has been configured as printable with preset print areas of relevant sections. To print it, go to "File", then "Print", then select "Print Entire Workbook" or "Print Active Sheets" depending on your needs.

## **To Save This Workbook as a PDF:**

Click the "File" Tab, then click "Save As" or "Save a Copy", then click "Browse" or "My Options" then select "PDF", click "Options", select "Entire Workbook", press "OK", and "Save". These instructions may differ depending on your version of Microsoft Excel.

## **On Accessibility, Navigability, and Printability:**

This workbook attempts to maximize accessibility, navigability, printability, and ease of use. Merged cells have been avoided. All tables and text boxes have been given names. Extraneous rows and columns outside printed ranges have been hidden.

## **For Questions:**

If you have questions, please reach out to HUD via the "Ask a Question" page, <https://www.hudexchange.info/program-support/my-question/> and choose "HDX" as the topic.

FY 2024 Reporting Year: 10/1/2023 - 9/30/2024

### Measure 1: Length of Time Persons Remain Homeless

This measures the number of clients active in the report date range across ES, SH (Metric 1.1) and then ES, SH and TH (Metric 1.2) along with their average and median length of time homeless. This includes time homeless during the report date range as

Metric 1.1: Change in the average and median length of time persons are homeless in ES and SH projects.

Metric 1.2: Change in the average and median length of time persons are homeless in ES, SH, and TH projects.

a. This measure is of the client's entry, exit, and bed night dates strictly as entered in the HMIS system.

Metric	Universe (Persons)	Average	Median
		LOT Homeless (bed nights)	LOT Homeless (bed nights)
1.1 Persons in ES-EE, ES-NbN, and SH	1,086	137.5	90.0
